CandyNation mashing up on 4 CDJs 2016

Before her DJ career had started she was a singer in the local RnB band in her hometown and a show MC practicing and perfecting her skills of working with the crowd. She started to DJ back into 2011 using twoTechnics MK2.

In 2015 she released her first 2 singles Love Me Loud and Rock It. Since then she has reached major popularity and recognition for her Youtube videos mixing on 4 CDJs.
